Anti-Bullying Policy

Governing Body Policy

2022-2023

Contact: Mrs N. Lawrence, Assistant Headteacher
DSL Mrs A. Hart, Deputy Headteacher
Named governor: Daniel Vela-Castro

reviewed April 2022

A forward-thinking community with a tradition of excellence

This policy is based on DfE guidance “Preventing and Tackling Bullying” July 2017 and supporting documents. It also takes into account the DfE statutory guidance “Keeping Children Safe in Education” 2021 and “Sexual violence and sexual harassment between children in schools and colleges” guidance.. The school has read Childnet’s “Cyberbullying: Understand, Prevent and Respond: Guidance for Schools”.

Policy Objectives

- This policy outlines what MGGS will do to prevent and tackle all forms of bullying.
- The policy has been adopted with the involvement of the whole school community.
- MGGS is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form.

Links with Other School Policies and Practices

This policy links with a number of other school policies, practices and action plans including:

- Behaviour and discipline policy
- Complaints policy
- Child protection policy
- Confidentiality policy
- Online safety and Acceptable use policies (AUP)
- Curriculum policies, such as: PSHE, citizenship and computing
- Chromebook and Bring Your Own Device policies
- How MGGS keeps you safe - a safeguarding document for students.

Links to Legislation

There are several pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law. These may include (but are not limited to):

- The Education and Inspection Act 2006, 2011
- The Equality Act 2010
- The Children Act 1989
- Protection from Harassment Act 1997
- The Malicious Communications Act 1988
- Public Order Act 1986.

Responsibilities

It is the responsibility of:

- The Headteacher to communicate this policy to the school community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a member of the senior leadership team has been identified to take overall responsibility.
- Governors to take a lead role in monitoring and reviewing this policy.
- All members of staff, including: governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.
- Parents/carers to support their children and work in partnership with the school.

- Pupils to abide by the policy.

Definition of Bullying

- Bullying can be defined as *“behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally”*. (DfE “Preventing and Tackling Bullying”)
- Bullying can include: physical and emotional abuse such as name calling, taunting, mocking, making offensive comments, kicking, hitting, taking belongings, producing offensive graffiti, gossiping, peer isolation (e.g. excluding people from groups) and spreading hurtful and untruthful rumours.
- This includes the same unacceptable behaviours expressed online, sometimes called online or cyberbullying. This can include: sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- MGGS recognise that bullying can be emotionally abusive and can cause severe and adverse effects on children’s emotional development.
- Bullying is recognised by MGGS as being a form of peer on peer abuse; children can abuse other children.
 - Abuse is abuse and it should never be tolerated or passed off as “banter”, “just having a laugh” or “part of growing up”.
 - We recognise that even if there are no reports of bullying, it does not mean it is not happening and it may be the case that it is just not being reported.
 - All victims will be taken seriously and offered appropriate support, regardless of where the abuse takes place.

Sexual Violence and Sexual Harassment:

Sexual harassment and sexual violence can be driven by wider societal factors beyond the school, such as everyday sexist stereotypes and everyday sexist language. This is why as part of our whole school Relationship and Sex Education policy, we emphasise building a preventative culture through the curriculum. It is important that students develop a good understanding of what makes relationships safe and healthy. “Given the increasing concerns around child sexual abuse and exploitation and the growing risks associated with growing up in a digital world, there is a particularly compelling case to act in relation to pupil safety.” (DfE Guidance, Relationship and Sex Education 2020). The MGGS Safeguarding and Child Protection Policy contains further information on Sexual violence and Sexual Harassment.

Peer on Peer abuse; Sexual Violence and Harassment:

Peer on peer sexual violence and sexual harassment can occur between two children of any age and sex. It can also occur through a group of children sexually assaulting or sexually harassing a single child or group of children.

We place emphasis on the importance of making all stakeholders aware that as a community we have the following expectations:

- **Sexual violence and sexual harassment are not acceptable, will never be tolerated and is not an inevitable part of growing up.**

- We do not tolerate or dismiss sexual violence or sexual harassment as “banter.”
- We will challenge and report behaviour (potentially criminal in nature) that falls short of our school code of conduct.

The School works collaboratively with external organisations to challenge, sanction, record and report behaviours that are exploitative and unsafe in line with the DfE Keeping Children Safe in Education guidelines. “Schools and colleges should be made aware of making clear that sexual violence and sexual harassment is not acceptable, will never be tolerated.” See the Safeguarding and Child Protection Policy for further information on Sexual violence and Sexual Harassment.

This policy has been developed in consultation with staff, pupils and parents. The consultation and policy development process involved the following steps:

- Staff consultation – staff were given the opportunity to share their views on RSE and PSHE and make recommendations
- Parents/carers -were consulted and invited to share their views on RSE and PSHE
- Student consultation – we investigated what students would like from their RSE.
- Ratification – once amendments were made, the policy was shared with governors and ratified

Forms and Types of Bullying Covered by this Policy

School Ethos

- MGGS as a community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.

- By effectively preventing and tackling bullying, our schools can help to create a safe, disciplined environment, where pupils are able to learn and fulfil their potential.

Our Community:

- Understands the importance of challenging inappropriate behaviours between peers.
- Monitors and reviews our anti-bullying policy and practice on a regular basis
- Supports staff to promote positive relationships to help prevent bullying.
- Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures that our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
- Requires all members of the community to work with the school to uphold the anti-bullying policy.
- Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
- Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy
- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from the Local Authority and other relevant organisations when appropriate.

Responding to Bullying concerns

The following steps may be taken when dealing with all incidents of bullying reported to the school:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision making, as appropriate.
 - The DSL will be informed of all bullying concerns, especially where there may be safeguarding issues.
 - The headteacher, Designated Safeguarding Lead (DSL) or another appropriate member of leadership staff will interview all parties involved.
- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.
 - The school will speak with and inform other staff members, where appropriate.
 - The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.

- Appropriate sanctions and support, for example as identified within the school behaviour policy and child protection policy, will be implemented in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, for example the police if a criminal offence has been committed, or Integrated Children Services (Kent Schools Only)/ Early Help and/or Children's Social Care (Schools outside of Kent) (amend according to local terms) if a child is felt to be at risk of significant harm.
- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated and responded to in line with this policy and the school behaviour policy. If required, the DSL will collaborate with DSLs at other settings.

Cyberbullying

When responding to cyberbullying concerns, the school will:

- Act as soon as an incident has been reported or identified.
- Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again.
- Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation.
- Take all available steps where possible to identify the person responsible. This may include:
 - looking at use of the school systems
 - identifying and interviewing possible witnesses
 - contacting the service provider and the police, if necessary.
- Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:
 - Support reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.
 - Confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the law and the school behaviour policy. Schools should ensure they access the DfE '[Searching, screening and confiscation at school](#)' and [Childnet cyberbullying guidance](#) to ensure that the schools powers are used proportionately and lawfully.
 - Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies.
 - Where an individual can be identified, the school will ensure that appropriate sanctions are implemented to change the attitude and behaviour of the bully, as well as ensuring access to any additional help or support they may need.
- Ensure that sanctions are applied to the person responsible for the cyberbullying in line with the Behaviour and Discipline Policy; the school will take steps to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need.
- Inform the police if a criminal offence has been committed.
- Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:
 - advising those targeted not to retaliate or reply

- Informing parents/carers to help change the attitude and behaviour of the child.
- Providing appropriate education and support regarding their behaviour or actions.
- If online, requesting that content be removed and accounts and or content to be reported to the service provider.

- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this may include involvement from the Police or [Integrated Children Services \(Kent Schools Only\)/ Early Help and/or Children's Social Care \(Schools outside of Kent\)](#) or support through the Children and Young People's Mental Health Service (CYPMHS).

Supporting Adults

Our school takes measures to prevent and tackle bullying among pupils; however, it is equally important to recognise that bullying of staff and parents, whether by pupils, parents or other staff members, is unacceptable.

Adults (staff and parents) who have been bullied or affected will be supported by:

- Offering an immediate opportunity to discuss the concern with the designated safeguarding lead, a senior member of staff and/or the headteacher.
- Advising them to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience, as appropriate.

- Recognise that bullying can be perpetrated or experienced by any member of the community, including adults and children (peer on peer abuse).
- Recognises the potential for children with SEN and disabilities to be disproportionately impacted by bullying and will implement additional pastoral support as required.
- Recognise that bullying may be affected and influenced by gender, age, ability and culture of those involved.
- Openly discuss differences between people that could motivate bullying, such as: children with different family situations, such as looked after children or those with caring responsibilities, religion, ethnicity, disability, gender, sexuality or appearance related difference.
- Challenge practice and language (including ‘banter’) which does not uphold the values of tolerance, non-discrimination and respect towards others.
- Be encouraged to use technology, especially mobile phones and social media positively and responsibly.
- Work with staff, the wider community and outside agencies to prevent and tackle concerns including all forms of prejudice-based and discriminatory bullying
- Actively create “safe spaces” for vulnerable children and young people.

- Regularly update and evaluate our practice to take into account the developments of technology and provide up-to-date advice and education to all members of the community regarding positive online behaviour.
- Take appropriate, proportionate and reasonable action, in line with existing school policies, for any bullying brought to the school’s attention, which involves or affects pupils, even when they are not on school premises; for example, when using school transport or online, etc.
- Implement appropriate disciplinary sanctions; the consequences of bullying will reflect the seriousness of the incident, so that others see that bullying is unacceptable.
- Use a variety of techniques to resolve the issues between those who bully, and those who have been bullied.

Education and Training

The school community will:

- Train all staff, including: teaching staff, support staff (e.g. administration staff, lunchtime support staff and site support staff) and pastoral staff, to identify all forms of bullying and take appropriate action, following the school’s policy and procedures (including recording and reporting incidents).
- Consider a range of opportunities and approaches for addressing bullying throughout the curriculum and other activities, such as: through displays, assemblies, peer support, the school/student council, focus days, promoting anti-bullying week etc.
- Collaborate with other local educational settings as appropriate, and during key times of the year, for example during transition.

- Ensure anti-bullying has a high profile throughout the year, reinforced through key opportunities such as anti-bullying week.
- Provide systematic opportunities to develop pupils' social and emotional skills, including building their resilience and self-esteem.

Involvement of Pupils

We will:

- Involve pupils in policy writing and decision making, to ensure that they understand the school's approach and are clear about the part they have to play to prevent bullying.

Involvement and Liaison with Parents and Carers

We will:

- Take steps to involve parents and carers in developing policies and procedures, to ensure they are aware that the school does not tolerate any form of bullying.
- Make sure that key information about prejudice-based and discriminatory bullying (including policies and named points of contact) is available in a variety of formats, including via the school website.
- Ensure all parents/carers know who to contact if they are worried about bullying and where to access independent advice.
- Work with all parents/carers and the local community to address issues beyond the school gates that give rise to bullying.
- Ensure that parents work with the school to role model positive behaviour for pupils, both on and offline.
- Ensure all parents/carers know about our complaints procedure and how to use it effectively, to raise concerns in an appropriate manner.

Monitoring and Review: Putting Policy into Practice

- The school will ensure that they regularly monitor and evaluate mechanisms to ensure that the policy is being consistently applied.
- Any issues identified will be incorporated into the school's action planning.
- The headteacher will be informed of bullying concerns, as appropriate.
- The Headteacher will report on a regular basis to the governing body on incidents of bullying, including outcomes.
