Hello artists!!!

As an artist you must love creating and exploring. Your transition project is to do exactly this........ but in different and creative ways.

**the Sketchbook project**

fill a sketchbook with photographs, drawings, artists work, postcards and scrapbooking.

Your sketchbook should be A5 or A4, but it should be FILLED UP!

You will be presenting your work to the rest of your group and your Art teacher upon starting the course in September, so please bring it with you on your first day.
If you need help, here are some ideas and examples of how to fill a page!

- Draw the first thing you see in the morning, when your eyes are still closed/upside down/in less than 30 seconds/with your non-dominant hand.

- Look up and explore the following colours on a page: Castaneous/Glaucous/Eau-de-Nil/Carmine/Malachite/Rajah/Cinnabar/Bazaar/Byzantium/Xanadu/Zaffre/Aurulent.
