Yes/Nong documentation) In the student's name. You can also submit to decision has been made regarding your application. Yes/Nong documentation)

Please note that if you cannot answer Yes to the majority of these questions, you are unlikely to be eligible for a Level One Bursary. You can, however, apply for the Level Two Bursary - please see the separate application form available on our website.

A forward-thinking community with a tradition of excellence

Student declaration:

I understand that any bursary I may receive is dependent on meeting the following conditions:

- I must maintain good attendance and punctuality throughout the year.
- I must adhere to the terms of the Sixth Form contract.

I understand that if I fail to meet these conditions, my bursary payment may be reduced or withdrawn.	The
information on this form is correct to the best of my knowledge.	

Student signature:	Date:

It is possible to apply for the Bursary Fund at any time during the academic year. However, submission on enrolment day or at the beginning of Term 1 enables the school to assess applications quickly to ensure appropriate support is in place as soon as possible in the academic year.

If your circumstances change, you should inform the Assistant Headteacher for Key Stage 5 immediately so that an adjustment may be considered.
