

We are delighted that our son had the opportunity to work with Stuart... we would wholeheartedly recommend his services – Irene Santineer

Stuart has been instrumental in finding and attaining a position in an international bank for our youngest daughter. We are extremely grateful for Stuart's assistance and can't recommend him highly enough – Tara Gatt

## IS IT TIME TO CONSIDER APPRENTICESHIPS?

### The Same Degree, BUT:

- Earn a wage
- No Debt
- Get real experience
- Gain job-specific skills
- Gain a university degree
- Kick start for your child's career

### Highly Competitive

Not surprisingly, the top apprenticeships are competitive with the most popular being massively oversubscribed. This means only the best prepared are likely to be successful!

### We Can Help

EDP has successfully helped students prepare for topflight apprenticeship or graduate programme interviews, through our tried and tested Apprenticeship Preparation Sessions Building:

- Understanding
- Skills
- Practice
