Famous Economists Poster:

How did economics develop as a subject to study? And who helped to shape the way economists think? Produce a poster to highlight the contributions of four famous economists from the following list. You must include Keynes and Adam Smith in the four you choose.

- John Maynard Keynes
- Adam Smith
- Friedrich Hayek
- Karl Marx
- David Ricardo
- Thomas Malthus
- Alfred Marshall
- Milton Friedman

Your poster should include the following:

- Picture
- Date of birth
- Books published
- Major contribution to economic debate
- Memorable quote
