We're really sad 😞 that we can't welcome you into school this term to see MGGS for yourself, but you can find out a lot of what makes MGGS special and see some of the best bits of MGGS life below and on our YouTube channel.

Here are some of our favourite photos 📷 and videos 🎥

The first big event of the year is **HOUSE ARTS**, a whole school celebration of dance, drama or music. The fierce competition and deep bonds of friendship in our Houses really shows itself - it's the stuff memories are made of! See videos of past performances on our YouTube channel.

We've built some amazing relationships with local businesses and every year enjoy an awesome careers fair and a number of other exciting **CAREERS** events, including Aspiration Digital, which gives Sixth Form students the chance to explore digital media careers and network with pros.

We love **RAG WEEK!** A week of fancy dress, teacher humiliation and lots of Christmassy fun, all in aid of our sister schools in Nepal and another chosen charity, raising thousands of pounds and spreading joy every year!

We are very proud of our **DOFE** programmes, and in the Sixth Form you have the chance to do **GOLD AWARD** - see some of the adventures of past students...

We've already mentioned our very special connection to **NEPAL**, and during recent years sixth form students have had the once-in-a-lifetime opportunity to visit and serve our friends there.

The school productions and dance shows are out of this world - a really great way to get involved in **EXTRACURRICULAR ACTIVITIES** if that's your sort of thing. And if it's not, we've loads of sport, art and other teams and clubs you can join!

SPORTS DAY is another highlight of the MGGs year, when everyone's House Spirit is out in full force!

THE MEDIA AWARDS are a glitzy celebration of the work of our super talented Media students. Red carpet and VIPs, this is an event not to be missed. Here are some of previous years' winners...
