The History of Psychology

1. Psychology grew from Philosophy. Explain how the two are different.

2. Use the internet to put together a timeline showing the main contributions of the following researchers:
   - Wilhelm Wundt
   - Edward Titchener
   - William James
   - John Watson
   - Sigmund Freud
   - Mary Ainsworth
   - Roger Sperry
   - Aaron Beck
   - Elizabeth Loftus

3. Suggest why there might be relatively few well known women in Psychology.
