About Us

Welcome to our forward-thinking community with a tradition of excellence

Maidstone Grammar School for Girls, or 'MGGS', as it is more often known, has a strong community spirit which is underpinned by our belief that the happiness of all our students is key to enabling them to succeed. We have been providing an academic education for girls (and boys in the Sixth Form) from the town of Maidstone and its surrounding area for over 135 years.

MGGS is a very special place. Our students love learning; they are talented, compassionate and inquiring young people who have a deep sense of belonging and commitment to their school.

Maidstone Grammar School for Girls was rated as Outstanding in the last Ofsted inspection which was carried out in March 2023.

"The ambition for pupils at Maidstone Girls Grammar School (MGGS) is limitless. Pupils, from Years 7 to 13, aspire to be the very best they can be. They value the dedicated support from staff as they determinedly pursue different career ambitions."

"Excellence sits at the very heart of the school's meticulous curriculum. Staff use their detailed subject expertise to diligently identify the most important knowledge pupils need to learn. Pupils keenly master different skills, whether this be solving complex problems in mathematics or using their creativity in English, art, and design and technology."

Our academic curriculum at MGGS provides students with outstanding examination results year on year. *"I love being part of the MGGS community. From day one I felt welcomed into something special. There are so many opportunities for me to try new things and take part in activities that I enjoy. I really feel that my happiness is as important to the school as my academic success."* Year 7 Student

MGGS is a Leading Light school, using G Suite for Education, and we have been acknowledged by Google UK as one of the most advanced schools for its integrated use to promote student learning. MGGS is a Regional Computer Hub, awarded by the Department for Education in recognition of the expertise the school has evidenced in Computing Education and will take a lead in training teachers across the south east in the delivery of Computing. provide for students. We believe that our Curriculum and Sixth Form Extra enrichment programmes are vital to building self-confidence, resilience, and leadership skills in all of our students. We nurture individuality and scholarship to ensure that our young people will go on to take leading roles in society and become happy and fulfilled adults.

Our Results

GCSE and A Level Exam Results 2024

We are very proud of our students; not only are their academic standards high, but they also develop as confident articulate individuals ready to take full advantage of opportunities as they arise.

We are pleased to report our summer results for 2024 that re-enforce Ofsted's quote, "The ambition for pupils at Maidstone Girls Grammar School (MGGS) is limitless."

Summer 2024 has seen our Year 11 and 13 students achieve some fantastic results, which is a result of their hard work and resilience especially over the last two years. Students have demonstrated their commitment to their education. I am so pleased for each and every student's personal achievement and delighted with the overall achievement of the year groups.

We see a continued trend of results, enabling students to pursue their individual goals.
